## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—The most recent version of the statute containing the section number and the date.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 2015—Acupuncturist Advisory Committee  
Chapter 1—General Rules**

**EMERGENCY AMENDMENT**

**20 CSR 2015-1.030 Fees.** The advisory committee is proposing to amend subsection (3)(B).

*PURPOSE:* The advisory committee is statutorily obligated to enforce and administer the provisions of sections 324.475–324.499, RSMo. Pursuant to section 324.481, RSMo, the Missouri State Board of Chiropractic Examiners upon recommendation of the Acupuncturist Advisory Committee shall set fees necessary to administer the provisions of sections 324.475–324.499, RSMo. The advisory committee is proposing to decrease the acupuncturist renewal fee.

*EMERGENCY STATEMENT:* The Missouri State Board of Chiropractic Examiners upon the recommendation of the Acupuncturist Advisory Committee is statutorily obligated to set all fees, by regulation, necessary to administer the provisions of sections 324.475–324.499, RSMo. Pursuant to section 324.481, RSMo, the advisory committee shall by regulation set the amount of fees authorized by sections 324.475–324.499, RSMo, to produce revenue which shall not substantially exceed the cost and expense of administering the provisions of sections 324.475–324.499, RSMo. Therefore, the

board upon recommendation by the advisory committee is proposing to decrease the biennial renewal fee from three hundred dollars (\$300) to two hundred dollars (\$200).

The acupuncturist licenses expire on June 30, 2013. The renewal notices for acupuncturists will be mailed in April 2013 and any acupuncturist wishing to reinstate or renew their license beginning April 2013 will be assessed the decreased renewal fee. Without this emergency amendment the decreased fee requirement will not be effective in time for the renewal notice and the advisory committee will collect more revenue than it is statutorily authorized to collect.

The scope of the emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. In developing this emergency amendment, the committee has determined that the fee decrease is necessary for the 2013 renewal period to prevent funds from exceeding the maximum fund balance thereby resulting in a transfer from the fund to general revenue as set forth in section 324.481.6, RSMo. Pursuant to section 324.001.10, RSMo, a compelling governmental interest is deemed to exist for the purposes of section 536.025, RSMo, for licensure fees to be reduced by emergency rule, if the projected fund balance of any agency assigned to the Division of Professional Registration is reasonably expected to exceed an amount that would require transfer from that fund to general revenue. The committee believes this emergency amendment to be fair to all interested parties under the circumstances. This emergency amendment was filed April 8, 2013, becomes effective April 18, 2013, and expires January 28, 2014.

(3) The fees are established as follows:

(B) Acupuncturist Biennial Renewal Fee      ~~[\$300.00]~~ **\$200.00**

*AUTHORITY:* sections 324.481 and 324.487, RSMo Supp. [2010] 2012, and sections 324.490 and 324.493, RSMo 2000. This rule originally filed as 4 CSR 15-1.030. Original rule filed July 24, 2001, effective Feb. 28, 2002. For intervening history, please consult the *Code of State Regulations*. Emergency amendment filed April 8, 2013, effective April 18, 2013, expires Jan. 28, 2014. A proposed amendment covering this same material is published in this issue of the *Missouri Register*.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 2095—Committee for Professional Counselors  
Chapter 1—General Rules**

**EMERGENCY AMENDMENT**

**20 CSR 2095-1.020 Fees.** The committee is proposing to amend subsection (1)(D).

*PURPOSE:* This amendment lowers the biennial renewal fee.

*EMERGENCY STATEMENT:* The Committee for Professional Counselors is statutorily obligated to enforce and administer the provisions of sections 337.500–337.540, RSMo. Pursuant to section 337.507, RSMo, the committee shall by rule and regulation set the amount of fees authorized by sections 337.500–337.540, RSMo, to produce revenue which shall not substantially exceed the cost and expense of administering the provisions of sections 337.500–337.540, RSMo. The committee is proposing to decrease the biennial renewal fee from one hundred fifty dollars (\$150) to one hundred twenty-five dollars (\$125).

The licensed professional counselor (LPC) licenses expire on June 30, 2013. The renewal notices for LPCs will be mailed in April 2013

and any LPC wishing to reinstate or renew their license beginning April 2013 will be assessed the decreased renewal fee. Without this emergency amendment the decreased fee requirement will not be effective in time for the renewal notice and the committee will collect more revenue than it is statutorily authorized to collect.

The scope of the emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri and United States Constitutions*. In developing this emergency amendment, the committee has determined that the fee decrease is necessary to prevent funds from exceeding the maximum fund balance thereby resulting in a transfer from the fund to general revenue as set forth in section 337.507.5, RSMo. Pursuant to section 324.001.10, RSMo, a compelling governmental interest is deemed to exist for the purposes of section 536.025, RSMo, for licensure fees to be reduced by emergency rule, if the projected fund balance of any agency assigned to the Division of Professional Registration is reasonably expected to exceed an amount that would require transfer from that fund to general revenue. The committee believes this emergency amendment to be fair to all interested parties under the circumstances. This emergency amendment was filed April 8, 2013, becomes effective April 18, 2013, and expires January 28, 2014.

(1) The following fees are established by the Committee for Professional Counselors and are payable in the form of a cashier's check, personal check, or money order:

(D) Biennial Renewal	[\$150.00] <b>\$125.00</b>
1. Renewal received 1–60 days late	\$ 50.00
2. Renewal received 61 days–2 years late	\$100.00

**AUTHORITY:** section 337.507, RSMo Supp. [2010] 2012, and section 337.520.1(2), RSMo 2000. This rule originally filed as 4 CSR 95-1.020. Original rule filed Oct. 16, 1986, effective Jan. 30, 1987. For intervening history, please consult the *Code of State Regulations*. Emergency amendment filed April 8, 2013, effective April 18, 2013, expires Jan. 28, 2014. ## EXECUTIVE ORDER

13-06

WHEREAS, I have been advised by the State Emergency Management Agency that a severe storm system has caused damage associated with high winds and tornadoes impacting communities in the state of Missouri; and

WHEREAS, the severe weather that began on April 10, 2013, and is continuing, has created a condition of distress and hazard to the safety, welfare, and property of the citizens of the State of Missouri beyond the capabilities of some local jurisdictions, and other established agencies; and

WHEREAS, interruptions of public services are occurring, or anticipated to occur, as a result of this severe weather event; and

WHEREAS, the State will continue to be proactive where the health and safety of the citizens of Missouri are concerned; and

WHEREAS, the resources of the State of Missouri may be needed to assist affected jurisdictions and to help relieve the condition of distress and hazard to the safety and welfare of our fellow Missourians; and

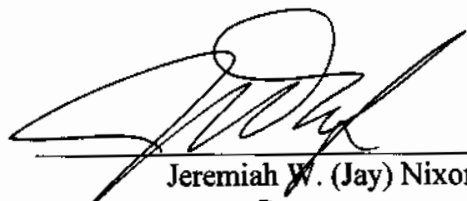

WHEREAS, an invocation of the provisions of Sections 44.100 and 44.110, RSMo, will be required to ensure the protection of the safety and welfare of the citizens of Missouri.

NOW, THEREFORE, I, JEREMIAH W. (JAY) NIXON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and Laws of the State of Missouri, including Sections 44.100 and 44.110, RSMo, do hereby declare that a State of Emergency exists in the State of Missouri. I do hereby direct that the Missouri State Emergency Operations Plan be activated.

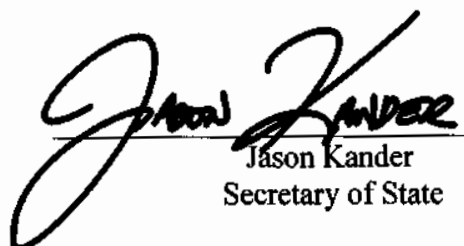

I further authorize the use of state agencies to provide assistance, as needed.

This order shall terminate on May 10, 2013, unless extended in whole or in part.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 10<sup>th</sup> day of April, 2013.

Jeremiah W. (Jay) Nixon  
Governor

Jason Kander  
Secretary of State

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

**(8) Fees.**

(A) Certification Fee. No certificate of approval to operate shall be issued except upon payment of the prescribed certification fee.

1. The certification fee shall be computed on the basis of \$.0013 per one dollar (\$1) of net tuition and fees income (excluding refunds, books, tools, and supplies) with a maximum of five thousand dollars (\$5,000) and a minimum of five hundred dollars (\$500) per school. Tuition and fees for schools that operate at two (2) or more locations within Missouri may be reported separately or be combined for all locations for purposes of computing the certification fee. The certification fee shall be computed on the basis of data submitted by the institution, subject to verification by the department.

2. The certification fee for a school upon initial certification to operate shall be computed on the basis of the estimate given in

the application of the net tuition income for the first year of operation, except that the fee shall not be less than the minimum of five hundred dollars (\$500). The full initial certification fee shall be assessed whether the initial certification is for an entire or partial certification year.

3. The certification fee requirement for a branch campus operated in Missouri by an out-of-state public institution shall be computed solely on the basis of applicable tuition and fee income at the Missouri branch campus.

4. For a school having a certificate of approval for the sole purpose of recruiting students in Missouri, the net tuition used for the certification fee computation shall be only that paid, or estimated if initial, to the school by students recruited from Missouri and the fee shall be five hundred dollars (\$500) plus \$.0013 per one dollar (\$1) of net tuition and fees income (excluding refunds, books, tools, and supplies) not to exceed five thousand dollars (\$5,000).

(B) Security Deposit. Each institution must file a security deposit with coverage consistent with the statutory requirements of section 173.612, RSMo.

1. The security deposit shall be executed on the prescribed form provided by the department for that purpose. The security deposit shall cover all facilities and locations of the school in the state of Missouri and shall clearly state that it covers the school and agents of the school.

2. Any bonding company must be approved by the Missouri Department of Insurance, Financial Institutions and Professional Registration.

3. The amount of the security deposit shall be ten percent (10%) of the preceding year's gross tuition but, in no event, shall be less than five thousand dollars (\$5,000) nor more than one hundred thousand dollars (\$100,000) except that the school may deposit a greater amount at its own discretion.

4. The school may comply with the security deposit requirement through any of the following three (3) methods at the discretion of the school: performance surety bond, irrevocable letter of credit, or cash bond secured by certificate of deposit.

5. The amount of the security deposit required must be computed and compliance verified with each annual application for certification. Written verification of compliance with the security deposit requirement of the authorizing statute must be presented prior to the issuance of a certificate of approval. Failure of a school to post and maintain the required security deposit may result in denial, suspension, or revocation of certification to operate or the school being placed on probation.

6. Any school that operates two (2) or more main campuses in the state may combine, or report separately, gross tuition for all locations for the purpose of determining the annual security deposit requirement. However, if the combined gross tuition calculates a security deposit requirement in excess of the one hundred thousand dollars (\$100,000) maximum, the gross tuition shall be reported separately, and the requirement calculated separately. The security deposit requirement for a branch campus operated in Missouri by an out-of-state school shall be computed solely on the basis of applicable tuition and fee income at the Missouri branch campus.

(C) Fees should be made payable to the Missouri Department of Higher Education.

(D) All fees are non-refundable.

(E) The following fees shall be paid:

1. Initial Application for Certification (to be credited toward the certification fee)	\$200

B. The late fee may be waived in whole or in part at the discretion of the department.

(9) Nothing in this regulation shall be construed or interpreted so that students attending an out-of-state public institution of higher education are considered to be attending a Missouri public institution of higher education for purposes of obtaining student financial assistance.

SUMMARY OF COMMENTS: The State Board of Education (board) received one hundred one (101) comments regarding the proposed rule.

COMMENT #1: The Department of Elementary and Secondary Education (department) received one (1) comment from Mike Wood, Missouri State Teachers Association, that stated that sponsors should take a more active role in ensuring success for school and supporting the proposed rule.

RESPONSE: The board reviewed the comment and determined no change is needed.

Due to the similarity in the following four (4) comments, one (1) response that addresses these comments is presented after the four (4) comments.

COMMENT #2: One (1) comment from Charles Smith, Missouri National Education Association (MNEA), that stated that sponsors of charter schools should ensure that the schools they sponsor meet student performance and fiscal standards as addressed in the proposed rule.

COMMENT #3: One (1) comment from Chris Guinther, MNEA, that stated that sponsors of charter schools should ensure that the schools they sponsor meet student performance and fiscal standards as addressed in the proposed rule.

COMMENT #4: Seven (7) comments from teachers that stated that sponsors of charter schools should ensure that the schools they sponsor meet student performance and fiscal standards as addressed in the proposed rule.

COMMENT #5: One (1) comment from Kenneth Holzapfel, taxpayer, that stated that sponsors of charter schools should be held accountable for performance and fiscal standards.

RESPONSE: The board reviewed the comments and determined no change is needed.

COMMENT #6: One (1) comment from Chris Guinther, MNEA, that stated in section (1), that sponsors should designate liaisons to

each sponsored charter school for communication purposes and ensure the provision of high-quality mentoring.

RESPONSE: The board reviewed the comment and determined no change will be made. Currently, liaisons are designated and mentoring is required for continuing certification of all new educators.

COMMENT #7: One (1) comment from Cami Fick, with the department, recommended changing the words "A quality sponsor" to "The sponsor" and in the second sentence, replacing the words "is expected to meet" to "shall implement steps to closely monitor" in section (1).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to section (1) to provide consistency throughout the document.

COMMENT #8: One (1) comment from Cami Fick, with the department, recommended changing wording for clarity purposes in subsection (1)(A).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to clarify subsection (1)(A).

COMMENT #9: One (1) comment from Deborah Carr, Missouri Charter School Sponsor Network (MCSSN), supporting subsection (1)(D) ensuring development of policies and procedures.

RESPONSE: The board reviewed the comment and determined no change is needed.

COMMENT #10: One (1) comment from Steve Sanchez and Martha McGeehon, St. Louis University (SLU), regarding subsection (1)(B) and suggested that the department should direct sponsors on what to do if the background check findings are adverse.

RESPONSE: The board reviewed the comment and determined no change will be made. The department has a complete process to handle adverse findings for certificated educators, and local school boards should consult their attorneys in regard to handling other employees.

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #11: Three (3) comments from Deborah Carr, MCSSN, regarding percentage of funds used to support charter school operations and compliance as stated in subsection (1)(E).

COMMENT #12: One (1) comment from Steve McClure, University of Missouri Kansas City (UMKC) Charter School Center, regarding percentage of funds used to support charter school operations and compliance as stated in subsection (1)(E).

COMMENT #13: One (1) comment from Deborah Carr, University of Missouri—Columbia (MU) Office of Charter School Operations, regarding percentage of funds used to support charter school operations and compliance as stated in subsection (1)(E).

RESPONSE: The board reviewed the comments and determined no change will be made. The law states that ninety percent (90%) of funds will go towards sponsorship, but does not state when funds must be spent. The rule clarifies that submission of an annual report will be required indicating how such funds were spent.

COMMENT #14: One (1) comment from Steve McClure, UMKC Charter School Center, that recommended wording in subsection (1)(F) be changed for alternative and special purpose charter schools serving high risk students whose performance will be judged on student academic and behavioral growth measures, as defined in the school's performance contract with its sponsor.

RESPONSE: The board reviewed the comment and determined no change will be made. The department is studying alternative performance evaluations.

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #15: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (1)(F) be changed from “ensure” to “retain.”

COMMENT #16: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (1)(F) be changed from “ensure” to “retain.”

COMMENT #17: One (1) comment from Douglas Thaman, Missouri Charter Public School Association (MCPSA), that regarded changing wording in subsection (1)(F) to illustrate that sponsors of charter schools have intervention capacity.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise subsection (1)(F) to address that sponsors maintain capacity for intervention.

COMMENT #18: One (1) comment from Douglas Thaman, MCPSA, that regarded limiting portfolio of sponsors if they have two (2) or more low performing schools on the Annual Performance Report (APR) metric as mentioned in subsection (1)(F).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise the wording to comply with the federal waiver definition of persistently low achieving schools. Best practices suggest that a sponsor with two (2) or more persistently low achieving schools focus on improving current schools rather than expanding their portfolio. Missouri’s methodology for identifying priority schools is defined in Missouri’s Elementary and Secondary Education Act’s *Flexibility Request* and will be used in the identification of schools that are: a.) Among the lowest five percent (5%) of Persistently Low Achieving (PLA) Title I schools in the state, based on the achievement of students in the total population group in terms of proficiency on assessments that are part of the State Education Agency’s (SEA) differentiated accountability system and have demonstrated minimal progress in improving the achievement of the school’s total population over a period of years; b.) Title I participating or eligible high schools with a graduation rate less than sixty percent (60%) over a period of years.

Due to the similarity in the following four (4) comments, one (1) response that addresses these comments is presented after the four (4) comments.

COMMENT #19: One (1) comment from Steve Sanchez and Martha McGeehon, SLU, that recommended wording in subsection (1)(F) on the definition of low performing.

COMMENT #20: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (1)(F) regarding the definition of low performing.

COMMENT #21: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (1)(F) regarding the definition of low performing.

COMMENT #22: One (1) comment from Douglas Thaman, MPCSA, that regarded the definition of low performing schools and who will judge if the intervention capacity is sufficient as mentioned in subsection (1)(F).

RESPONSE: The board reviewed the comments and determined no change will be made. Persistently low performing schools are determined by the school’s Missouri Assessment Program results and/or its graduation. Section 160.405.8(1)(a), RSMo, specifically addresses intervention policies and the three (3) criteria connected with intervention policies. If intervention policies are not producing academic improvements, then capacity would be deemed insufficient.

COMMENT #23: One (1) comment from Cami Fick, with the department, recommended removing the word “quality” in “A quality sponsor” and replacing with “The sponsor.” Also, removing language “implements a thorough” and replacing with “small implementation steps to closely monitor the.”

RESPONSE AND EXPLANATION OF CHANGE: The board agreed

to make this change to section (2) to provide consistency throughout the document.

COMMENT #24: One (1) comment from Cami Fick, with the department, that recommended changing the words “implements” to “produces” in subsection (2)(A).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to subsection (2)(A).

COMMENT #25: One (1) comment was received from Carter Ward, Missouri School Boards’ Association (MSBA), that recommended that the department clarify the sponsor’s responsibility to provide evidence of financial stability by changing the wording of subsection (2)(B).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise subsection (2)(B) by changing “policy” to “criteria” and removing language “while providing a timeline for submitted and approval/denial;” and replacing with “does so in accordance to a clearly established timeline.”

COMMENT #26: One (1) comment was received from Carter Ward, MSBA, that recommended that the department clarify the sponsor’s responsibility to provide evidence of financial stability in subsection (2)(C).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to subsection (2)(C) by requiring evidence of accountability.

COMMENT #27: One (1) comment from Victoria Hughes, University of Central Missouri (UCM), that recommended the inclusion of language defining the sponsors’ obligations to give priority to high-risk schools.

RESPONSE: The board reviewed the comment and declined to make changes. Current law clearly states that priority is given to address high-risk students in section 160.405.2(5), RSMo.

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #28: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (2)(E) regarding third-party providers.

COMMENT #29: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (2)(E) regarding third-party providers.

COMMENT #30: One (1) comment from Douglas Thaman, MPCSA, that regarded sponsor oversight and changing wording of subsection (2)(E) so sponsors consider the outcomes of any third-party service provider when reviewing the school’s academic performance and operational management.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to change the wording in subsection (2)(E). Due to history of third-party services, best practices indicate that sponsors verify that rigorous and independent contract oversight by governing boards be established.

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #31: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (2)(F) regarding application submittal timelines.

COMMENT #32: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (2)(F) regarding application submittal timelines.

COMMENT #33: One (1) comment from Doug Thaman, MPCSA, that regarded deadlines for new and renewal applications and recommending subsection (2)(F) be removed.

RESPONSE: The board reviewed the comments and determined no

change will be made. Best practices indicate if a charter school is not going to be renewed that the process begins earlier rather than later. Sections 160.405.2(1) and (4), RSMo, state that the board must approve new charter applications by December 1 and that the board has sixty (60) days to review applications prior to approval. Sixty (60) days prior to December 1 would be an October 1 deadline for submission.

COMMENT #34: One (1) comment from Carter Ward, MSBA, that regarded the first sentence in section (3) is intended as a call for action.

RESPONSE AND EXPLANATION OF CHANGE: The board reviewed the comment and changed the sentence in section (3) to clarify sponsor's implementation of board support.

COMMENT #35: One (1) comment from Carter Ward, MSBA, regarding subsection (3)(A) typographical error.

RESPONSE AND EXPLANATION OF CHANGE: The board reviewed the comment and removed the "s" from "Ensures" in subsection (3)(A).

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #36: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (3)(A) regarding board member training.

COMMENT #37: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (3)(A) regarding governing board training.

COMMENT #38: One (1) comment from Doug Thaman, MPCSA, that regarded training for governing board members in subsection (3)(A).

RESPONSE: The board reviewed the comments and declined to make changes. Best practices indicate charter boards, as well as traditional public school boards, require training to fulfill their positions.

COMMENT #39: One (1) comment from Carter Ward, MSBA, that regarded paragraph (3)(B)3. for the removal of specific words based on the statutory language covering more than just conflicts with contracts.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed and made the changes by removing "with retaining contracts," in paragraph (3)(B)3.

COMMENT #40: One (1) comment from Carter Ward, MSBA, that regarded subsection (3)(C) and stated that the list is not an exhaustive list of items.

RESPONSE AND EXPLANATION OF CHANGE: The department reviewed the comment and changed subsection (3)(C) to provide the necessary examples.

Due to the similarity in the following six (6) comments, one (1) response that addresses these comments is presented after the six (6) comments.

COMMENT #41: One (1) comment from Steve McClure, UMKC Charter School Center, that provided a corrected citation of additional sections outlined in Missouri Sunshine Laws as mentioned in subsection (3)(D).

COMMENT #42: One (1) comment from Doug Thaman, MPCSA, that recommended clarification of the role of the sponsor in subsection (3)(D).

COMMENT #43: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (3)(D) requesting change of "Ensure" to "Monitor."

COMMENT #44: One (1) comment from Steve Sanchez and Martha McGeehon, SLU, that recommended wording in subsection (3)(D) to

replace "Ensure."

COMMENT #45: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (3)(D) requesting change of "Ensure" to "Monitor."

COMMENT #46: One (1) comment from Carter Ward, MSBA, that regarded subsection (3)(D) and recommended sentence clarification with rewording.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to correct the citation, clarify terminology, and correct grammatical errors in subsection (3)(D).

COMMENT #47: One (1) comment from Carter Ward, MSBA, that regarded section (4) and sought clarification for the sponsor's actions in academic performance.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise wording in section (4) for clarity and consistency.

COMMENT #48: One (1) comment from Victoria Hughes, UCM, that requested the addition to section (4) of a different time frame for performance within a high-risk school.

RESPONSE: The board declined to make this change. Current law, section 160.405.4(6)(c), RSMo, provides a different time frame in meeting performance standards. However, performance standards must be met prior to graduation. The department is studying alternative performance evaluations.

COMMENT #49: One (1) comment from Brent Fullington, teacher, in subsection (4)(A) that requested that all charter schools be held responsible for the same Missouri School Improvement Program (MSIP) standards as district-run schools.

RESPONSE: The board declined to make this change. Section 160.405.4(6)(a), RSMo, establishes that charter schools are held accountable for academic standards adopted by the board. In addition, no charter school will be considered in the MSIP review for resource or process standards.

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #50: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in subsection (4)(A) to eliminate the word "including" and the following list.

COMMENT #51: One (1) comment from Deborah Carr, MCSSN, that recommended wording in subsection (4)(A) to eliminate the word "including" and the following list.

COMMENT #52: One (1) comment from Doug Thaman, MPCSA, that recommended updating wording in subsection (4)(A) to ensure that performance contracts are aligned to section 160.405.4(6)(a), RSMo.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise subsection (4)(A) in order to clarify standards alignment with statutory requirements.

Due to the similarity in the following two (2) comments, one (1) response that addresses these comments is presented after the two (2) comments.

COMMENT #53: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended changing the wording in subsection (4)(C) from "Ensure clear consequences" to "Establishes clear procedures and consequences...."

COMMENT #54: One (1) comment from Deborah Carr, MCSSN, that recommended changing the wording in subsection (4)(C) from "Ensure clear consequences" to "Establishes clear procedures and consequences...."

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise subsection (4)(C) in order to clarify the sentence.

COMMENT #55: One (1) comment from Cami Fick, with the department, that corrected the verb at the beginning of the sentence of subsection (4)(D).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to revise subsection (4)(D) for clarification.

Due to the similarity in the following four (4) comments, one (1) response that addresses these comments is presented after the four (4) comments.

COMMENT #56: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended rewording in subsection (4)(D) objecting to limitation on probationary charters.

COMMENT #57: One (1) comment from Steve Sanchez and Martha McGeehon, SLU, that recommended rewording in subsection (4)(D) to limiting expansion of grade levels.

COMMENT #58: One (1) comment from Deborah Carr, MCSSN, that recommended rewording in subsection (4)(D) objecting to limitations on probationary charters.

COMMENT #59: One (1) comment from Doug Thaman, MPCSA, that recommended removing subsection (4)(D) regarding expansion of charter schools.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to eliminate in subsection (4)(D) the probationary clause while retaining the limits on expansion when a charter local education agency is designated as low achieving as described in the department's federal waiver. Best practices indicate if a charter school is identified as persistently low achieving, before expanding that school with additional grades, that the intervention activities produce results to mitigate the low performance status.

COMMENT #60: One (1) comment from Carter Ward, MSBA, that regarded section (5) and recommended correct wording in the second sentence to clarify action requested.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to section (5) allowing sponsors to implement steps for financial and performance issues.

COMMENT #61: One (1) comment from Chris Guinther, MNEA, that regarded section (5) and stated that the sponsors should annually report student attrition rates to the public and department to help ensure accountability.

RESPONSE: The board declined to make this change. The department is studying student transfers in existing charter schools.

COMMENT #62: One (1) comment from Judith Meyer, Board, Eagle College Prep Endeavor, that recommended in section (5) the limitation of the department and sponsors role in the financial governance of charter schools.

RESPONSE: The board declined to make changes. The department ensures that all public schools utilize best practices in the management of public funds, including the school board's internal controls to eliminate malfeasance.

COMMENT #63: One (1) comment from Cami Fick, with the department, that recommended changing the words "A quality sponsor" to "The sponsor" and replacing the words "is expected to meet" with "shall implement steps to closely monitor" in section (5).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to section (5) to provide consistency throughout the document.

COMMENT #64: One (1) comment from Chris Guinther, MNEA, that regarded subsection (5)(A) and recommended clarifying language.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to subsection (5)(A) complying with statutory requirements.

COMMENT #65: One (1) comment from Steve Sanchez and Martha McGeehon, SLU, that recommended wording in subsection (5)(D) concerning financial controls.

RESPONSE: The board declined to make changes. The department ensures that all public schools utilize best practices in the management of public funds, including the school board's internal controls to eliminate malfeasance.

Due to the similarity in the following five (5) comments, one (1) response that addresses these comments is presented after the five (5) comments.

COMMENT #66: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in paragraphs (5)(D)1., 2., and 3., recommending that financial controls for revenue for operation of charter schools are expended for expenses related to the operation of the school.

COMMENT #67: One (1) comment from Deborah Carr, MCSSN, that recommended wording in paragraphs (5)(D)1., 2., and 3., recommending that financial controls for revenue for operation of charter schools are expended for expenses related to the operation of the school.

COMMENT #68: One (1) comment from Howard Denson, Jamaa Learning Center, that recommended the elimination of paragraphs (5)(D)1., 2., and 3.

COMMENT #69: One (1) comment from Patrice Coffin, Carondelet Leadership Academy, that recommended the elimination of paragraphs (5)(D)1., 2., and 3.

COMMENT #70: One (1) comment from Aaron North, Ewing Marion Kauffman Foundation, that recommended the elimination of paragraphs (5)(D)1., 2., and 3.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make the changes. Best practices require school boards to be actively involved in financial matters of the school and modifications to the requirements in paragraphs (5)(D)1., 2., and 3., were made.

COMMENT #71: One (1) comment from Doug Thaman, MPCSA, that recommended changes and clarification to paragraphs (5)(D)1., 2., and 3.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to paragraphs (5)(D)1., 2., and 3., to combine three (3) items into two (2) by eliminating paragraph (5)(D)2. and then (5)(D)3. was renumbered as 2. The changed paragraph (5)(D)1. limits issuing payments to a set amount prior to board approval and paragraph (5)(D)2. allows the use of a check register, approved monthly by the local board, prior to payment of bills.

COMMENT #72: One (1) comment from Carter Ward, MSBA, that regarded paragraph (5)(D)3. and recommended eliminating ambiguity of whether or not the provision is optional.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to paragraph (5)(D)3. modifying the word "should" to "shall."

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #73: One (1) comment from Doug Thaman, MPCSA, that recommended changing "ensure" throughout subsections (5)(E) through (5)(I)

COMMENT #74: One (1) comment from Deborah Carr, MU Office of Charter School Operations, recommending wording in subsections (5)(E) through (5)(I) changing "ensure" throughout subsections (5)(E) through (5)(I).

COMMENT #75: One (1) comment from Deborah Carr, MCSSN, recommending wording in subsections (5)(E) through (5)(I) changing "ensure" throughout subsections (5)(E) through (5)(I).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make these changes to subsections (5)(E) through (5)(I) to

change “ensure” to “Closely monitors” or “Closely monitors that.”

COMMENT #76: One (1) comment from Carter Ward, MSBA, that recommended wording in section (6) to clarify sponsors responsibility in reports/data submission.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to section (6) by the addition of “shall implement steps.”

Due to the similarity in the following three (3) comments, one (1) response that addresses these comments is presented after the three (3) comments.

COMMENT #77: One (1) comment from Doug Thaman, MPCSA, that recommended changing the word “ensure” to “closely monitor” in section (6).

COMMENT #78: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in section (6) changing the word “ensure.”

COMMENT #79: One (1) comment from Deborah Carr, MCSSN, that recommended wording in section (6) changing the word “ensure” to “monitor.”

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to change the wording in section (6) for clarification.

COMMENT #80: One (1) comment from Chris Guinther, MNEA, that regarded section (6) and recommended that sponsors report staff attrition rates for each sponsored school.

COMMENT #81: One (1) comment from Chris Guinther, MNEA, that regarded section (6) and recommended that sponsors report student attrition rates for each sponsored school.

RESPONSE: The board declined to make changes. The department currently monitors student mobility and will consider studying charter schools specifically.

Due to the similarity in the following two (2) comments, one (1) response that addresses these comments is presented after the two (2) comments.

COMMENT #82: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in section (6) changing the word “ensure” to “monitors that.”

COMMENT #83: One (1) comment from Deborah Carr, MCSSN, that recommended wording in section (6) changing the word “ensure” to “monitors that.”

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to change “ensure” to better clarify the sponsor duties in section (6).

COMMENT #84: One (1) comment from Carter Ward, MSBA, recommending grammatical corrections in subsection (6)(G).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to change “approve” to “approved” in subsection (6)(G) and make grammatical corrections to the sentence.

COMMENT #85: One (1) comment from Stephen McClure, UMKC Charter School Center, that recommended in subsection (6)(G) that when changes occur in charter goals/strategies, that only that portion of the charter be submitted to the department.

RESPONSE: The board declined to make changes. It would be an undue burden for the department to track multiple changes in multiple charters throughout the course of all charter schools’ operations.

Due to the similarity in the following four (4) comments, one (1) response that addresses these comments is presented after the four (4) comments.

COMMENT #86: One (1) comment from Carter Ward, MSBA, that recommended changing wording in section (7) to clarify the sponsor

role in oversight and evaluation of charter schools.

COMMENT #87: One (1) comment from Deborah Carr, MU Office of Charter School Operations, that recommended wording in section (7) changing the word “ensure” to “monitors that.”

COMMENT #88: One (1) comment from Deborah Carr, MCSSN, that recommended wording in section (7) changing the word “ensure” to “monitors that.”

COMMENT #89: One (1) comment from Doug Thaman, MPCSA, that recommended changing the word “ensure” to “monitor” in section (7).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to section (7) by removing the word “quality” in the first sentence. Also in the second sentence, “implement steps to closely” was added to modify “monitor.”

COMMENT #90: One (1) comment from Carter Ward, MSBA, that recommended changing wording in subsection (7)(A) to include non-discrimination in all matters.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change in subsection (7)(A). Non-discrimination of student admissions is of utmost importance in charter schools but the department agrees that the indicator should be more inclusive regarding all forms of discrimination.

COMMENT #91: One (1) comment from Steve Sanchez and Martha McGeehon, SLU, that regarded subsection (7)(C) and suggested that the department should direct sponsors on policy/intervention plans.

RESPONSE: The board reviewed the comment and determined no change will be made. The department has a complete process to handle adverse findings for certificated educators and local school boards can consult their attorneys in regard to personnel policies of other employees.

COMMENT #92: One (1) comment from Steve Sanchez and Martha McGeehon, SLU, that asked in subsection (7)(D) whether the sponsor is responsible for finding non-compliance or whether the sponsor makes certain that non-compliance with federal statutes and guidelines is corrected.

RESPONSE AND EXPLANATION OF CHANGE: The board reviewed the comment and changed subsection (7)(D) to include both state and federal program conformity to rule and regulations both in determining non-compliance and in rectifying any non-compliance.

COMMENT #93: One (1) comment from Victoria Hughes, UCM, that requested the addition to section (8), a different time frame for decision-making within a high-risk school.

RESPONSE: The board declined to make this change. Current law, section 160.405.4(6)(c), RSMo, provides a different time frame in meeting performance standards. However, performance standards must be met prior to graduation.

COMMENT #94: One (1) comment from Cami Fick, with the department, recommended removing the word “quality” in “A quality sponsor” to “The sponsor.” Also, removing the words “designs and implements a” and replacing with “shall implement steps to closely monitor.” and grammatically changing the word “process” to “processes” in section (8).

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to section (8) by rewording the first sentence.

COMMENT #95: One (1) comment from Cami Fick, with the department, that recommended changing the word “Base” to “Bases” in paragraph (8)(A)2.

RESPONSE AND EXPLANATION OF CHANGE: The board agreed to make this change to paragraph (8)(A)2. by correcting the grammatical error.

Those sections with changes are reprinted here. The proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The commission received three (3) comments on the proposed rule.

COMMENT #1: Alexis Hoskins, with StreetLinks, LLC, and Don Kelly, with the Real Estate Valuation Advocacy Association (REVAA), requested that the board clarify whether an appraisal management company (AMC) is to provide both its legal name and d.b.a. on one (1) application or if the AMC must submit two (2) full applications with all applicable fees, bonds, background checks, and state mandated reviews for its legal name and d.b.a. separately.

RESPONSE AND EXPLANATION OF CHANGE: The commission agreed that the rule should be clarified to require that each AMC only be required to submit one (1) application, but that one (1) application should include a listing of all d.b.a.s under which the AMC does business.

COMMENT #2: Robert M. Danehy, with CoreLogic Collateral Solutions, LLC, requested that the language be modified to indicate that the AMC has a system in place to review the work of licensed Missouri appraisers instead of all independent appraisers and that the services are conducted in compliance with the Uniform Standards of Professional Appraisal Practice.

RESPONSE AND EXPLANATION OF CHANGE: The commission agreed and removed the language specifying “independent” appraisers.

COMMENT #3: Don Kelly, with REVAA, requested that the commission clarify that an appraiser who has had a credential refused, denied, cancelled, revoked, or surrendered and subsequently has the credential granted or reinstated, is then eligible to serve as owner of an AMC.

RESPONSE AND EXPLANATION OF CHANGE: The commission agreed and has amended language to clarify that any person who owns more than ten percent (10%) of an AMC cannot have a license that is currently on discipline.

**20 CSR 2245-10.010 Appraisal Management Company Application Requirements**

(B) That the AMC has in place a system to review the work of all appraisers performing appraisal services and that the services are conducted in compliance with the Uniform Standards of Professional Appraisal Practice;

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 2245—Real Estate Appraisers  
Chapter 10—Appraisal Management Company**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Real Estate Appraisers Commission under sections 339.509 and 339.511, RSMo Supp. 2012, and section 339.544, RSMo 2000, the commission adopts a rule as follows:

20 CSR 2245-10.020 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on December 17, 2012 (37 MoReg 2316–2317). Those sections with changes are reprinted here. The proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The commission received seven (7) comments on the proposed rule and also discovered one (1) incorrect reference and noted one (1) need for clarification.

COMMENT #1: Upon review of the published rules in the *Missouri Register*, the commission discovered that a reference in paragraph (1)(P)2. should be 330.500 to 339.549 to include all of the applicable statutes.

RESPONSE AND EXPLANATION OF CHANGE: The commission has corrected the paragraph to include the additional statutes.

COMMENT #2: The commission wished to clarify that an appraiser who has had a credential refused, denied, cancelled, revoked, or surrendered and subsequently has the credential granted or reinstated should then be eligible for hire by an appraisal management company (AMC).

RESPONSE AND EXPLANATION OF CHANGE: The commission has amended language in this rule to clarify that an AMC shall not employ any appraiser that is currently on discipline rather than who has ever been on discipline.

COMMENT #3: Don Kelly, with Real Estate Valuation Advocacy Association (REVAA), requested that the time frame for notifying the commission of a change to the AMC's registered agent be increased from five (5) business days to ten (10) business days.

RESPONSE: The commission decided not to take action on the comment.

COMMENT #4: Don Kelly, with REVAA, requested that the rule identify a period of time within which an AMC must respond to a request for appraisal services and payment information.

RESPONSE: The commission decided not to take action on the comment.

COMMENT #5: Don Kelly, with REVAA, requested that the commission clarify that the requirement that AMCs cannot prohibit an appraiser who is part of an appraiser panel from recording the fee that the appraiser was paid by the appraisal management company for the performance of the appraisal within the appraisal report does not apply to employee appraisers.

RESPONSE: The commission decided not to take action on the comment.

COMMENT #6: Robert M. Danehy, with CoreLogic Collateral Solutions, LLC, requested that the commission revise subsection (1)(M) to allow the acceptable modifications as stated in section (3).  
RESPONSE: The commission decided not to take action on the comment.

COMMENT #7: Robert M. Danehy, with CoreLogic Collateral Solutions, LLC, requested that subsection (1)(N) be changed to reflect that if the delivery date indicated it would not allow for the development of a credible and reliable appraisal report that the appraiser must communicate to the AMC the reason for declining the order.

RESPONSE: The commission decided not to take action on the comment.

COMMENT #8: Robert M. Danehy, with CoreLogic Collateral Solutions, LLC, requested additional clarification of subsection (2)(F) be provided as it appears that the commission is attempting to regulate scope of work.

RESPONSE: The commission decided not to take action on the comment.

COMMENT #9: Robert M. Danehy, with CoreLogic Collateral Solutions, LLC, requested that language be added specifying an exact time for which an appraiser has to respond to their removal from the panel.

RESPONSE: The commission decided not to take action on the comment.

SUMMARY OF COMMENTS: The commission received two (2) comments and noted one (1) need for clarification on the proposed amendment.

RESPONSE AND EXPLANATION OF CHANGE: The commission agrees that it is good to be consistent. The second reference in section (1) has been changed to include the section number as suggested.

COMMENT #2: Joseph F. Rose, with the Missouri Appraisers Advisory Council, noted that subsection (2)(B) reads incorrectly with the word “appraisal” before AMC.

RESPONSE AND EXPLANATION OF CHANGE: The commission agrees that “appraisal” was erroneously left in and should be removed.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION**

**Division 2245—Real Estate Appraisers  
Chapter 10—Appraisal Management Company**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri Real Estate Appraisers Commission under section 339.511, RSMo Supp. 2012, and section 339.544, RSMo 2000, the commission adopts a rule as follows:

20 CSR 2245-10.040 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on December 17, 2012 (37 MoReg 2318–2319). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The commission received four (4) comments on the proposed amendment.

**COMMENT #1:** Upon review of the published rules in the *Missouri Register*, the commission discovered that references in sections (2) and (5) should be 330.500 to 339.549 to include all of the applicable statutes.

**RESPONSE AND EXPLANATION OF CHANGE:** The commission has corrected the sections to include the additional statutes.

**COMMENT #2:** Lenore Marema, with The Surety & Fidelity Association of America, noted that the fiscal note incorrectly indicates that a bond would cost between two thousand dollars (\$2,000) and four thousand dollars (\$4,000) a year based on the calculations provided. She states that as a general rule, the cost of a bond will be one-to-two percent (1%–2%) of the bond amount which would be closer to two hundred-to-four hundred dollars (\$200–\$400) annually.

**RESPONSE AND EXPLANATION OF CHANGE:** The commission agrees that the fiscal note shows incorrect calculations, but that the totals are correct. The fiscal note has been corrected to show that a surety bond will cost one-to-two dollars (\$1–\$2) per one hundred dollars (\$100).

**COMMENT #3:** Joseph F. Rose, with the Missouri Appraisers Advisory Council, noted that section (3) reads incorrectly by including the words “appraisal management company” along with the acronym.

**RESPONSE AND EXPLANATION OF CHANGE:** The commission agrees that “appraisal management company” was erroneously left in and should be removed.

**COMMENT #4:** Don Kelly, with Real Estate Valuation Advocacy Association, requested that the language be revised to require thirty-(30-) days advance notice of the cancellation of a bond rather than sixty (60).

**RESPONSE AND EXPLANATION OF CHANGE:** The commission agreed and has revised the language as suggested.

**20 CSR 2245-10.040 Surety Bond Requirements**

(2) The bond shall accrue to the Missouri Real Estate Appraisers Commission for the benefit of a consumer claimant against the AMC to secure the faithful performance of the AMC’s obligations pursuant to sections 339.500 through 339.549, RSMo, and regulations validly promulgated thereunder.

(3) The bond shall be issued by a bonding or insurance company authorized to do business in Missouri and shall secure the faithful performance of the AMC, its employees, or agents in connection with the activities of the AMC.

(5) The surety bond is for the protection of consumers and the commission may make a claim on the bond on behalf of a consumer sustaining injury as a result of the actions of an AMC not in compliance with or in violation of sections 339.500 through 339.549, RSMo.

(7) On receipt by the commission of notice of intent to cancel a bond by a corporate surety, the commission shall immediately notify the AMC that is the principal of the bond of the effective date of the cancellation. The AMC shall provide, from the corporate surety to the commission, no less than thirty (30) days notice prior to cancellation of the bond. Upon notice from the commission of the cancellation of the bond, the AMC shall furnish a like bond before the cancellation date and within seven (7) business days after mailing the notice by the commission. The AMC shall maintain and replace the bond to twenty thousand dollars (\$20,000) after each draw-down and the bond shall remain in effect for the life of the registration and for one (1) year after expiration, revocation, surrender, or cessation of business by the AMC.

*PRIVATE COST: This proposed rule will cost private entities approximately twenty thousand to forty thousand dollars (\$20,000–\$40,000) in the first year of implementation and approximately six hundred to one thousand two hundred dollars (\$600–\$1,200) annually thereafter for the life of the rule. It is anticipated that the costs will recur for the life of the rule, may vary with inflation, and are expected to increase at the rate projected by the Legislative Oversight Committee. The cost for the proposed rule has not changed; however, the method of calculation has been corrected on the fiscal note.*
